

Do's

- Think before you post—make sure your content is respectful and appropriate
- Maintain a positive and professional online presence
- Use strong privacy settings to protect your personal information
- Credit original creators when sharing content (avoid plagiarism)
- Be polite and respectful in comments and messages

Don'ts

- Do not share sensitive personal information (address, phone number, passwords)
- Avoid posting offensive, harmful, or inappropriate content
- Do not engage in cyberbullying or online arguments
- Avoid spreading fake news or unverified information
- Do not post anything that could harm your academic or professional reputation
