

Stay Safe Online – Prevention Checklist

- Use strong passwords (mix of letters, numbers, symbols) and enable 2-factor authentication (2FA)
- Do not click on unknown links or download attachments from untrusted sources
- Verify unknown callers or messages before sharing any personal information
- Keep your phone, apps, and antivirus software updated regularly
- Avoid logging into important accounts using public Wi-Fi networks
- Limit what you share on social media to protect your privacy

UPI Safety

- Never share your OTP, UPI PIN, or bank details with anyone
- Remember: To receive money, you do NOT need to enter your UPI PIN
- Always check the receiver's name and UPI ID before making any payment
- Use only official payment apps and avoid clicking on payment links sent by strangers

Reporting Cybercrime

- Report online fraud at: National Cyber Crime Portal – <https://cybercrime.gov.in>
- Call Helpline: 1930 (Immediate help for financial fraud cases)
